WHAT IS SEND VT?

Send VT Missions is a christian collegiate missions sending organization based in Vermont, in partnership with The Vine Campus Ministry.

We seek to mobilize the next generation with the Gospel of Christ, to the ends of the earth by equipping and challenging college students to follow Jesus' example and by putting their "yes" on the table.

HOW CAN I SERVE?

We currently offer three categories of missions experiences. Each category provides different timeframes, experiences and spiritual growth opportunities. The categories include; Spring Break, Summer and Campus Ministry Intern.

Who can serve through Send VT?

Any Vermont college student is welcome to apply through Send VT Missions. Each trip has specific requirements that determine eligibility.

Seniors in high school are welcome to apply for summer positions through partnering BCNE churches.

If I apply, do I automatically get to go?

Students will walk through the application and interview process before they discover placement. The application does not guarantee placement.

What can I expect during my interview?

The primary purpose of an interview is to offer support and encouragement as you seek God's best for you in exploring mission opportunities. The interview is a chance for you to verbalize your sense of God's direction and where you are in your personal spiritual growth and ministry.

When will I receive my placement?

Within two weeks of your completed application including your local interview.

How much money will I need to raise?

You will find the required fundraising amount listed for each opportunity on the positions list. Every missionary will receive training and encouragement in how to raise the necessary funds to go.
